

LEAF CUTTER

- **Utilise your horticulture skills in this rare, full-time opportunity**
- **Unique, outdoor environment dedicated to 'FUN' & conservation**
- **\$19.71– \$20.75/hr x 38hr work week**

Are you passionate about horticulture and conservation? Does working in an outdoor environment appeal to you? If you are energetic, enthusiastic and self-motivated, then this might be the perfect role for you!

As a member of our Life Sciences department, the primary objective of this entry-level position will be to cut suitable koala fodder from our eucalypt plantations to sustain our growing koala population. Tasks will include leaf cutting, planting, fertilising, watering, slashing and the general maintenance of our koala leaf plantations.

Applicants must satisfy the following criteria:

- Possess a high level of energy and physical fitness to perform physically demanding work;
- Willingness to work outdoors in a bushland environment and in all weather conditions;
- Demonstrate excellent communication and teamwork skills;
- Self-motivated, reliable and able to work independently;
- Hold a current QLD Manual Drivers Licence and ability in 4 wheel drive operation.

Previous experience in a similar environment such as farming, nursery, grounds or basic plantation maintenance and/ or tertiary qualifications in any of the sciences, particularly horticulture would be advantageous. A first aid certificate is also desired.

Early morning starts (from 6:30am) are required and weekend work is involved.
