

Casual Wildlife Keeper

Wildlife Habitat is seeking a Casual Wildlife keeper to join our award-winning team.

The successful applicant will be available over a 7 day working roster. Availability to suit the needs of the business is essential. This position is a cover keeper role, addressing shortfalls in everyday staffing. Hours and days will vary each week, and the ability to work at short notice is desirable. Due to role training, initial work hours would be in excess of 32 hours week for approximately 1-2 weeks, after which time hours may reduce.

The successful applicant will be a committed, experienced professional who takes pride in their work. We are seeking someone who is inspired by job variety, has initiative and a positive attitude to work in this specialised and unique field. The ability to take direction, handle change well and be highly adaptable is desirable. This person must be available for an immediate start. In addition, the applicant must address the following essential criteria in a cover letter.

Essential criteria:

- **Paid** experience in captive animal industry
- Positive, can-do attitude
- Team player
- Can work in all weather conditions (specifically high humidity and heavy rain)
- Hard worker
- Sound time management skills
- Attention to detail and impeccable observation skills
- Experience presenting to large audiences.
- Availability over a 7 day working roster
- Manual drivers Licence essential

The position requires availability over a seven-day roster and reliable transport is a must. Apply now by sending your resume complete with a covering letter.
