Shepparton & Goulburn Valley

\$115,000

Contract/Temp

Farming, Animals & Conservation, Conservation, Parks & Wildlife

Salary \$115,000 p.a. inc super. Two year contract

Are you ready to kick start your career as a Wildlife Park Manager? We are searching for an experienced and passionate Wildlife Park Manager to oversee the day to day operations and guide the future development of one of northern Victoria's premier wildlife tourist attractions.

Our park has a strong history of conservation and environmental education and is much-loved by the local Community, national and international visitors alike.

Your workplace will be 55 hectares of open woodland, wetlands and lakes that are home to more than 600 native animals. You'll lead a passionate and talented team who are committed to conservation, animal welfare and creating the best possible experience for park visitors.

You'll be joining the park at a very exciting time, as we are driving growth in visitor numbers by making strategic investment right across the business.

Kyabram is located just 30 minutes from both Echuca and Shepparton in northern Victoria.
