Curatorial Senior Diver

Curatorial Senior Diver

About the Role

The Senior Diver role assists the Curatorial Dive Supervisor and Aquarists with the delivery of consistently high standards of animal husbandry and exhibit cleanliness and presentation for guest satisfaction ensuring Health and Safety in relation to all dive operations and meeting all local and Merlin Dive standards for occupational diving.

Key responsibilities include;

- Actively fulfil maintenance dive duties following company diving safety procedures and performing tasks to schedule and to meet specified KPI's
- Ensure the highest possible standards of animal husbandry, exhibit presentation, technical operation and safety in daily operations of the SEA LIFE Sydney Aquarium
- Monitor all public display areas and achieve the objective of delivering a World Class guest experience
- Lead, train, develop and support dive team members in relation to all aspects of curatorial diving.
- Implement policies and procedures that maximise time management and efficiency of curatorial dive operations.
- Responsible for daily dive operations and the programmed maintenance and storage of diving related equipment.
- Maintenance and storage of documentation and databases for diving
- Demonstrate a high standard for animal care and professionalism.
- Assisting all other SEA LIFE Aquarium departments according to operational requirements.
- Work with the DSO to provide active participation in conservation dive projects.

About You

The ideal candidate will possess high standards of professionalism and have Significant experience working within the aquarium and dive industries (experience of 2 years minimum) and hold a good understanding of specialist aquarium diving activities that relate to all aspects of maintenance and care of aquariums and the animals within these environments. Excellent interpersonal communication skills will give you the ability to lead by example and motivate other team members. A good work ethic and the ability to follow through with tasks whilst working in a changing environment is essential.

Key qualifications include;

- SSI Instructor rating.
- Current First Aid certificate.
- Current Oxygen provider certificate.
- Current AS.2299 Dive Medical.
- Valid Australian working rights.

Highly regarded;

- Tertiary qualification in Marine Science or Captive animals.
- ADAS Commercial Diver qualification
- Coxswain certificate

Benefits

Great people, great perks! Alongside a fun and collaborative environment, with a competitive salary, you can enjoy our amazing benefits package, including a discretionary company bonus, corporate partnership discounts, and of course, a Merlin Magic Pass, which entitles you and your family and friends free admission to all our attractions worldwide. Perhaps the biggest benefit of joining us however, are the invaluable opportunities through our School of Magic for further career training and development across our ever-expanding group.

About Us

SEA LIFE is one of the world's biggest aquarium. From sharks to sea turtles, and jellyfish to seahorses, SEA LIFE Aquarium showcases over 10,000 sea creatures worldwide.

Merlin Entertainments Plc is a business built on fun. We are the world's second-largest visitor attraction operator. We operate over 100 attractions, eight hotels and three holiday villages in 25 countries across four continents and we run some of the well-known names in global leisure. These include the likes of SEA LIFE, Madame Tussauds, the Dungeons, the Eye brand, and LEGOLAND. Whether you are serving delicious food, working in the office, maintaining the attractions, entertaining guest or operating rides, the objective is to provide a truly memorable experience and a great day out for all members of the family.
