

## Wildlife Attendant – PT20

- **Unique, outdoor environment working with a variety of Australian native animals**
- **Part-time (PT20) Opportunity!**

Dreamworld Corroboree is one of the largest native wildlife parks in South East Queensland with hundreds of native animals including the second largest koala population in the world. We are seeking hardworking and dedicated Wildlife Attendant to join our team on part time basis.

The primary responsibility of a Wildlife Attendant is to care for and maintain our native Australian wildlife collection. Key responsibilities include daily food preparation, cleaning and all aspects of general animal husbandry and accurate record keeping.

### **Applicants must satisfy the following criteria -**

- Previous hands-on experience working with Australian wildlife
- Demonstrate well developed communication, teamwork and customer service skills
- Possess a high level of physical fitness to perform physically demanding work

Animal husbandry qualifications and/or progressive study towards a zoo keeping certificate would be well regarded. Experience with animal husbandry and handling coupled with a good general knowledge of Australian native fauna is required. A current manual driver's license is also necessary.

Flexibility with working hours across a 7 day roster is essential as weekend work will be involved. Part-time (PT20) employment offers a minimum of 20 hours per week and will accrue leave entitlements on a pro-rata basis.

This is a physically demanding role that involves animal husbandry tasks and manual handling, therefore a high level of energy and physical fitness is required to perform manual handling tasks and physically demanding work.
