

# Bugs Alive Conference

Invertebrate education, display, husbandry and conservation

**1st - 4th December 2022**

**Kuranda**

**Far North Queensland**

Join us in the Wet Tropics of Far North Queensland to share techniques, projects and ideas about invertebrate husbandry, display, education and conservation. Participants will have a chance to explore the rainforests, facilitate or participate in workshops and presentations, and visit FNQ invertebrate facilities.

**THURSDAY 1st:** Evening icebreaker, supper and field collection techniques

**FRIDAY 2nd:** Information and practical sessions, facility tours of Minibeast Wildlife and Australian Butterfly Sanctuary

**SATURDAY 3rd:** Papers and workshops. Evening field work

**SUNDAY 4th:** Papers and workshops

**Registration fees: \$450 (ASZK members), \$530 (non-members)**

**Included are morning teas/afternoon teas and icebreaker drinks/nibbles**

**Bookings [www.aszk.org.au](http://www.aszk.org.au) and enquiries to [eo@aszk.org.au](mailto:eo@aszk.org.au)**

**Program and content enquiries to [info@minibeastwildlife.com.au](mailto:info@minibeastwildlife.com.au)**
