

# RAPTOR REPTILES VOLUNTEER POSITION

Raptor Reptiles is looking for passionate volunteers to assist us in our mission to connect people in the community with wildlife and conservation, whilst providing exemplary care for all our animals. ***Does this sound like you?***

Raptor Reptiles is a privately owned business, displaying many native Australian animals, including snakes, lizards, frogs, turtles, insects and more! We service NSW & ACT wide, primarily servicing Sydney, Greater Sydney, the Central Coast and Wollongong.

## Volunteer Tasks Include:

- Day-to-day care of collection animals. This includes cleaning enclosures, feeding, performing health checks, and assisting in general maintenance.
- Provide talks, presentations, and handling to members of the public as scheduled.
- Ensuring policies and procedures are adhered to, and all work is conducted in a safe and appropriate manner.

## Position Benefits:

- Hands-on experience with a wide variety of Australian animals
- Expanding connections within the animal and presentation industry
- Improve public speaking and presentation skills
- Developing skills in animal care and behaviour
- Assisting towards completion of TAFE hours

## Essential Criteria:

- Public speaking experience
- Customer service skills
- Availability on weekends and school holidays
- Willing to travel within Greater Sydney, the Central Coast and Wollongong
- Working with Children Check & COVID-19 Vaccinated, & willing to provide evidence
- Current driver's licence, P1 (Red P's) or above
- Organisation and time management skills
- Team player

## Desirable Criteria:

- Experience working with animals, in particular reptiles
- Certificate II in animal studies or equivalent
