Working as part of a small, cohesive team you will have the opportunity to make husbandry improvements, contribute to breeding programmes and educate our visitors. The species within this include Rhino, Giraffe, American Bison, Water Buffalo, Himalayan Tahr, Barbary Sheep and more.

Experience with ungulates is advantageous, immediate start desirable.

Duties of the position will include:

- Daily food preparation, presentation, and husbandry for a variety of species.
- Animal observation and record keeping.
- Managing breeding, enrichment, and training programs.
- Assistance in animal capture and veterinary procedures.
- Public animal encounters and sharing daily animals care to customers.
- While Ungulates will be your primary focus, you will be trained across other rounds to assist the team as required.

Desirable skills and attributes:

- Minimum of 3 years' experience in a paid Zoo-keeping position.
- Proactive in identifying husbandry and enclosure related issues.
- Experience in training and conditioning.
- Knowledge of behavioural and environmental enrichment techniques.
- Ability to interact with guests to provide an educational experience.
- Mature team player with proof of a positive attitude with visitors and driven to connect our visitors with our wildlife.
- Current unencumbered Full drivers' licence.
- Current working with Children Check is a must.
- High level of physical fitness for a physically demanding job. We are a small team with a busy workload that is divided into standard round routines, we are looking for an individual who is capable of the physical aspects of managing large hoofstock.
