

The Evolving Role of a Zoo Keeper in a Changing World

ASZK Annual Conference
Perth Zoo, WA,
24-26 May 2024

You are invited to submit an abstract to present a **paper, poster or workshop** related to zookeeping or the conference theme above reflecting how climate change is affecting our work.

Abstracts for oral and poster presentations should be no longer than 600 words in MS Word® format.

If you would like to lead a workshop which focuses on developing animal keeper skills please send a short description of the workshop along with an explanation of your expertise in this area.

The abstract should include:

The paper or poster's title

Presenter's name, title and a short biography and a photo (attached separately)

Presenter's institution

Presenter's email address

No more than 600 words summarizing the intent of the paper.

Presentation of papers must not exceed 15 minutes.

Email your abstract in MSWord format to eo@aszk.org.au

**Call for
papers**

**Abstracts
close 20
March 2024**

A complete copy of the presentation paper suitable for publication (in Word format) must be submitted at the conference. Please ensure graphics are submitted as separate graphics files (i.e jpeg, tiff) and are of the highest possible quality. Full presentation papers will be published in upcoming issues of "Thylacinus".
