TIGER KEEPER

Why Work for Us?

Dreamworld is home to nine magnificent tigers, and through the Dreamworld Wildlife Foundation, we are one of the largest contributors to the tiger conservation worldwide. We've got the multi-million dollar Tiger Island Facility where you will join our team and play a vital role in saving wild tigers – all while educating and inspiring guests about these incredible creatures.

While you get to enjoy a rewarding career that combines your passion for wildlife with meaningful conservation efforts, you also get access to an assortment of perks just for being part of the team! You'll enjoy free entry across Dreamworld, WhiteWater World and SkyPoint, discounts on commercial purchases and we'll even wash your uniforms! We've partnered with Perkbox to provide our team members access to hundreds of dollars of direct savings each year on everyday purchases from some of Australia's biggest retailers - not to mention the fun you'll have while you work!

What's the Gig?

We're excited to offer a unique full-time opportunity for an experienced wildlife professional to work closely with our big cats - tigers on Tiger Island. Your role will include:

- Training our tigers in a protected contact environment.
- Performing essential husbandry tasks like feeding, preparing diets, and enriching animal habitats.
- Maintaining the cleanliness and presentation of Tiger enclosures and the Island facilities.
- Engaging with guests through educational presentations and interactions about tigers and global conservation efforts.
- Supporting our Wildlife team with husbandry duties for our native animal collection.

What Do We Need from You?

To thrive in this role, you should have:

- A solid background in wildlife management, with industry experience working with native, exotic, or non-domestic animals.
- Tertiary qualifications in zoological sciences are preferred.
- Extensive animal husbandry experience.
- A friendly, outgoing personality with excellent communication skills to engage with guests confidently.
- A strong commitment to teamwork, safety, and animal welfare.
- Good physical dexterity and the ability to perform demanding tasks safely.
- Vaccination against Q-Fever.
- A current driver's license.
- A background in animal training and behavioral enrichment is a plus.

Flexibility in working hours is essential, as weekends will be part of your schedule.

Application Process

Candidates may be invited to participate in asynchronous video interviews through our partner, Willlo. You can record your interview at your own pace using any smart device.
