

LEAP INTO A NEW ROLE AND MAKE

LIFELONG memories

Veterinary Nurse

- **Enjoy complimentary access to Dreamworld, WhiteWater World, and SkyPoint** for you and your family, along with a variety of additional perks!
- **Exciting opportunity** for a qualified Veterinary Nurse
- **Full-Time** role with a dynamic team

Dreamworld Life Sciences is one of the largest native wildlife parks in South East Queensland, home to hundreds of animals, including the second-largest koala population, endangered species and some of the biggest and best thrill rides on the planet, our worlds present a unique and diverse opportunity to welcome a qualified and experienced Veterinary Nurse to provide effective leadership, management, and support for our Life Sciences team in the next exciting phase of our journey.

Key Responsibilities:

- Daily animal care in hospital, quarantine, and keeper settings
- Veterinary nursing for various species
- Record keeping, administration, and management of veterinary resources
- Physically demanding tasks, including animal handling

Requirements:

- Certificate IV in Veterinary Nursing
- Experience with Australian native wildlife
- Strong communication skills for reporting and interacting with people from all backgrounds
- Flexibility with working hours and weekends
- Manual driver's license required

If you have a passion for wildlife, thrive in a fast-paced environment, and are looking to make a difference in animal care, this is the perfect opportunity for you! Don't miss out on the chance to work at one of the most iconic theme parks in Australia while contributing to the welfare of our native wildlife. **Apply now!**
