Wildlife Supervisor

- Enjoy **complimentary access** to **Dreamworld**, **WhiteWater World**, and **SkyPoint** for you and your family, plus a variety of exclusive perks!
- **Develop your career** in wildlife management
- **Lead and inspire** at the front line

Are you passionate about animal welfare and ready to take the next step in your career? We're seeking an experienced Wildlife Supervisor to join our team, providing hands-on leadership and training to guide a motivated, high-performing front-line team. This exciting opportunity is ideal for someone who thrives in a leadership role, is committed to the highest standards of animal care, and ensures animal welfare, safety, and quality standards are consistently met and exceeded.

Key Responsibilities:

- Lead and inspire a dedicated team, ensuring excellent animal care and presentation
- Provide hands-on training, guidance, and support to front-line team members
- Ensure all animal husbandry tasks are carried out to the highest standards
- Uphold top-tier standards for animal welfare and exhibit quality

What We're Looking For:

- Proven leadership skills with experience in training and motivating teams
- Strong communication and interpersonal skills
- Ability to manage and prioritise competing demands effectively
- Tertiary qualifications in Certificate III in Captive Animal Management (or equivalent) highly regarded
- Extensive hands-on experience working with Australian wildlife
- Physical fitness for demanding manual tasks and a high-energy work environment
- A current driver's licence
- A commitment to excellence and the ability to exceed expectations in your role

This is a physically demanding position that requires passion, energy, and a commitment to animal welfare. You'll need to be flexible with your working hours, as weekend shifts are part of the role. If you're looking for a rewarding career where you can make a difference, this is the opportunity for you! **Apply now!**
