

Maintenance Position Job

Work type: Flexible work hours | full-time and part-time positions are available

About us:

Located in the heart of Western Sydney, Featherdale Sydney Wildlife Park is home to over 2000 Australian native animals, including over 60 threatened native species which we passionately protect to help preserve these species for future generations.

Responsibilities:

- Perform routine maintenance and repairs on Animal Care facility.
- Handle basic electrical fitting changes, plumbing, carpentry, and other general facility improvements.
- Install and repair fixtures, gates and equipment.
- Painting of exhibits and communal areas.
- Perform horticultural maintenance tasks.
- Ensure all work is completed safely and efficiently.
- Maintain a clean and organised workspace.
- Communicate effectively with clients and project managers.

Experience:

- Proven experience as a handyman or similar role.
- Strong understanding of basic electrical, plumbing, and carpentry principles.
- Ability to work independently and as part of a team.
- Strong problem-solving skills.
- Excellent communication skills.
- Valid driver's license.

To apply:

Please submit your resume and a brief cover letter outlining your relevant experience and skills to the Manager of Life Sciences, Jess Mcfeeters via jessmcfeters@featherdale.com.au

Job advertisement closure date: 15th May 2025
